### To the Parent or Guardian:

In case of an emergency, summer recreation procedure will be to contact the parent or guardian at home or at work. When this is not possible, an ambulance will be called. You should make arrangements for proper care in case you child has an accident or becomes too ill to remain at the ballpark. Possible alternatives are:

1. A designated neighbor or relative may be asked to care for you child until your can be reached.

I understand that the Caledonia Park & Rec department and/or coaches are not responsible for any injuries occurred while taking part in the recreational programs provided.
